Aqua Azul Yacht Introduction

The AQUA AZUL is a multi-level yacht available for weddings, private group celebrations and corporate gatherings. Her design makes her especially attractive for upscale events and celebrations. She holds from 50-345 guests comfortably for an elegant dining & cruising experience. The food and service aboard AQUA AZUL are second to none, as the yacht's executive chef is also the chef of a renowned Private Membership Club in NYC.

The space and decor on board the AQUA AZUL distinguish her from the typical dinner boat in NY Harbor. The yacht has 4 large decks - each with its' own bar, all available to the guests: the piano dock, the dining deck, the lounge deck and the sky deck. A private cabin with a shower & other amenities is also available to the host on a separate, private-access deck.

The yacht's interior on the main deck features a Chelsea-inspired salon with sophisticated furnishings, a fireplace, a baby grand piano and a 35 ft overall length mahogany bar. Back to stern are 2 cozy retreats with contemporary-style seating and a flat screen television. Aqua Blue & sunny yellow are the theme colors on board. The dining deck, one level above, on deck 2, offers a spacious, elegant dining room with beautiful cabinetry, silk linens, custom-designed orchid & succulents arrangements and a mahogany bar. The lounge deck on deck 3 includes another massive mahogany bar w/ high tops and outdoor-inspired, Hamptons-style cushioned seating sets. The Aqua blue tone is featured here as well. The outdoor bow on this deck with its 3 mosaic tables is a favorite spot for our guests. The expansive upper deck on deck 4 with its outdoor backlit glow bar and aqua LED lights throughout is ideal for enjoying NYC's amazing skyline on a star-studded NYC night- or on a sunny day in NY Harbor!

Mr. and Mrs. O'Neill, NJ

"Just wanted to drop you a note and let you know about our wonderful experience we had aboard. Ed and I had a feeling from when we first started working with you that our Wedding Cruise would be a great success. You gave me complete confidence that you were in total control of everything from moving the boat to NJ, to the five star cocktail hour and the reception with the outstanding meal with the delicious baked red snapper and far-out rice. The wedding cake that everyone in our family kept asking me if I had a taste of it before we ordered it, was absolutely the best cake I have ever tasted and I assured my family that Dorit told me that I would not be disappointed. And one last detail about the deserts, all we can say is wow! They were simply fabulous, from the fountain to the little Italian pastries, everything was just great. I would also like to thank your wonderful and very caring staff. They really did an outstanding job making everyone feel so comfortable aboard The Noa Danielle. As you know we had guests from around the globe and we were told by each and every one of them, that this was the best wedding they have ever been too. And this could not have been done without you and all your staff. Please make sure you thank your chef and also your husband the captain."

A. Hamilton, NYC

"I must give my highest recommendation for Dorit and the Manhattan Steamboat Company. We contracted to hold our wedding on their boat - no small event. From our first meetings with Dorit to see the boat and talk about options we began to get an idea for the level of service and professionalism we were dealing with.

First, the boat is in immaculate condition. Clean, beautifully cared for and tastefully decorated. A gorgeous representation of an old-fashioned steamboat, fashioned into a modern vessel.

Second, Dorit made us feel exceptionally comfortable from the beginning. When dealing with her, it felt like there was nothing she and the crew could not handle. After meeting her and looking over the catering options of her in-house chef, we didn't even feel the need to taste or try anything. The selections offered were of such a high quality. Dorit also plans events with a military precision and a feather touch. Never did we feel pressured - but we felt guided in our decisions by Dorit.

Third, the event itself was spectacular. The staff were amazing - they catered to us as if they had known us our whole lives and the success of our party was of personal importance to them. As the Bride, I never once felt like I had to check on anything, ask for anything and my champagne glass was never empty. The yacht's captain, Michael gave us a wonderful cruise despite somewhat choppy waters - the entire evening was a dream. It is rare that you can say that something exceeds your expectations. Absolutely, I can say that the Manhattan Steamboat Company threw the best party I have ever been to and I am still thinking of new events and reasons to go again!"

Mr. and Mrs. Cirkle, NYC

"Thank you both so much for being our partners in planning our wedding. The Noa Danielle at first sight was our dream setting...a true gem in the waters... From the bottom of our hearts we thank you both and the entire crew of the Noa Danielle for making the first step in the continuation of our odyssey as one, a glorious and memorable event"

James & Celeste McArdle, United Kingdom

"Going into our wedding day, as one of the single most important days of our lives, we could not have been certain how the Noa Danielle would serve as a platform for our dream day. We need not have worried; the boat, your crew, your attention to detail, and the wonderful food served throughout were second to none, and you delivered a day that neither we, nor indeed any of our guests will ever forget. It was perfect, and for that, we thank-you.

Now that we are back in the UK, we wish we had the chance to do it all over again...

Jeremy and Vanessa Spencer, New Mexico

"Jeremy and I are so happy with the decision we made in acquiring your services for our wedding. Our families and friends are still commenting on how wonderful the night was. The food was amazing and the service was outstanding. The entire experience added the extra touch we both were looking for. It was amazing!"

Dorit - Thank you for everything. I was not expecting anything less from you, your staff and the Noa Danielle. Hats off to the Chef - my mother still craves the food. And I just have to tell you...I just wished I had come back for a second plate. Thank you to the Captain and the staff for being so attentive. My friends keep telling me that your bartenders were so attentive and even remembered all of their drinks and making it easy for them to reorder. They even remembered my drink of choice...believe me. Please send my thanks to all the staff for all their hard work and for helping make that night unforgettable."

S. McGowan, NYC

"Everything was wonderful. We simply had the greatest party we've ever hosted. Of course the rain was a drag, but even that was

better than expected, since the guests were able to stay inside comfortably. The food was fabulous, the musicians were terrific, and Dorit and Michael were the most gracious hosts. I would recommend the experience for anyone looking to do a party of this size... our guests were having such a good time after the ceremony that we could well have extended the party another hour and it would not have felt like too much... The boat was the height of elegance, the crew was incredible, the service was perfect. I could go on and on, and I will to my friends!

Chris Wardwell, MI

"The wedding and reception aboard the Noa Danielle was picture perfect!!! Thanks for your great communication and organization skills... You both made our job a snap!!! The Noa Danielle is a real treasure for New York City!!! Good wishes to you both!! if you would like to use our name for a reference you may do so... Again thanks for all you did to help Emily and Nick's wedding a most special event!!!
Forever Grateful"

Mr. and Mrs. Karaoglu, NYC

"We wanted to thank you and the whole crew for everything you did to make our wedding a wonderful night for all. You were all so nice, attentive and helpful, which we greatly appreciate. Everyone enjoyed themselves immensely and was very impressed with the professional service, truly gourmet food and the beautiful boat. It flew by like a flash and, in hindsight; we wish we booked a few more hours. All in all it was very romantic, memorable and the windy weather did not stop us from having a great time."

Mrs. Truschke-Rehn, NYC

"Thane and I had a wonderful time on the yacht, as did all of our guests. In every way you did a fantastic job. Thank you so much for everything."

Mr. and Mrs. Bermudez, NYC

"Thank you for everything...Everything was great, you and your crew were awesome, we really had a good time and everybody enjoyed it. We'll see you next year for our first anniversary!!!"

Mr. and Mrs. Andrews, MI

"we haven't done our official thank you yet, but please know how outstanding we felt everything was onboard during our ceremony and additionally, thank you from the bottom of our hearts for all of the help you gave in preparing for our big day. Manhattan Steamboat is a stellar operation and we feel so lucky to have had the opportunity to enjoy it on the biggest day of our lives. All of the feedback we have received from our guests has been amazing. We haven't quite come back to earth yet..."

Yvonne Ford, Bride's Mom, MI

"just want to thank you for the fabulous job that you did on Mandy and Mike's wedding. The food was terrific, and everything looked sumptuous. The show turned out great, and we all noticed your positive attitude, as a planner... The whole affair could not have been any better.

Thanks again for a most memorable affair.

J. Perkins, CT

"...I want to express how much we enjoyed our friends' engagement cruise with you. You truly run world class operation that provided us with an evening we will never forget. I have sailed the East River in both directions during daylight hours but I have never been on New York harbor during the evening. Wow! rounding Battery Park and the watching the harvest moon fill the gap under the Manhattan Bridge was perfectly timed. And then to see our lady, the Statue of Liberty, from close up on the water was extraordinary. Add to this the excellent food prepared by your Chef and your attentive, attractive and engaging staff made a special evening all the more so. Thank you and congratulations on putting a great team and evening together. I will continue to tell my friends.

Amy and Michael Lane, Woodbridge, CT

"Dear Dorit, Michael, Chef John and Fabulous Staff,

May 19th began with a thunderstorm and cleared about midday to a beautiful, sunny day. The bride happily made her way to SOHO for a little pre-wedding shopping and a make-up application at 4 pm, in preparation for the wedding cruise aboard the Noa Danielle. At about 3:55 pm the skies over Manhattan turned black - and it absolutely poured rain. The bride was having a small panic attack at the MAC store. Had I only realized that rain, wind, cold and storms could not possibly have affected the wonderful staff of Manhattan Steamboat - I would have been sipping champagne and putting my feet up! But hindsight is 20/20. >From the moment we arrived on the boat and were greeted by your calm and gracious staff - I should have known it would be an amazing night!

First, the boat is absolutely impeccable (my new husband, the ex-boat captain says that it was "bristol" I think this is a boatie word for stunningly well maintained). Dorit, the little details that you have so obviously attended to, the oriental rugs, the teak furniture outside, the gorgeous settees inside - all I can say is...wow..One of my guests, a 20 year veteran of Congress says that it is the nicest boat he has ever been on!

Second, the staff - where did you get them? Wonderful, genuine service. These were not staff that kindly provided you what you asked for - they were proactively attending to all of our needs, before we were even aware a glass was empty or a plate needed to be cleared. They were pleasant, charming and seamlessly integrated with the party.

Onto the food - my husband is a big guy, and he was worried that there might not be enough food! The descriptions provided did not at all capture the quality, elegance and diversity of the food. My guests thought that the food stopped after the hors d'oeuvres, they were pleasantly surprised by the main courses - and everything was superbly executed, cooked, served and timed. Everyone was simply amazed that our incredible gourmet meal came out of that tiny galley kitchen!

The wedding cake not only looked gorgeous, and again exceeded expectations - but it was absolutely delicious! The mild chocolate with the canoli filling was very, very yummy!

Lest we forget the wines - although I would have tried to taste every wine (I think I did get to 3 plus the Prosecco), everything was fabulous! As you promised, Dorit - the Prosecco was fantastic - dry but not too, light, crisp and just wonderful!

In short, everything I set my eyes on, drank and ate so far exceeded our expectations - I cannot say enough! If I could do it all again, I would! It was just the most amazing memories for our wedding night. It could not have been more special for us, and our guests are all raving about the event. Michael provided us with a calm, steady trip - even though the water was not as flat as could have been, he really gave us the ride of a lifetime!

Thank you Dorit, for your kind unwavering optimism in the face of bad weather - the evening was a smashing success thanks in no small part to your management of details! I hope that you truly realize how delighted and grateful we are to have had our wedding aboard your beautiful yacht! You have helped "launch" our life with style, elegance and great fun! All of the best success

DG, Kolmar Americas, Corporate Planner

"Thank you so much for everything! I am still getting compliments about what a fantastic party it was. You were so right! People are asking me how I am going to top it next year.....any ideas??? ...the staff was nothing but the best. The food was amazing! Let the chef know that everyone loved everything. Please extend our thanks to Dorit as well. The Star of America is truly by far nothing but a first class performance!

AM, Ambassador, Acting Permanent Representative of Italy to the United Nations

"...The event was a success! Your boat is beautiful and the food served on board was simply delicious. I know a lot of my UN colleagues will be back on board... (transcribed)

LK, Auto One Insurance, Assistant to the President & CEO

"...We were completely amazed at how beautifully elegant the boat was and the attention that was paid to all the guests on behalf of your staff. They were terrific...extremely attentive and professional. A class act in every way. We had a great time. It was a beautiful night - a full moon and calm waters with great food and atmosphere. Just perfect."

MF, PriceWaterhouseCoopers, NYC

"I wanted to take the time to write you a personal thank you note, expressing our satisfaction with our entire evening aboard the yacht. We couldn't have imagined a better night...Let me begin by again expressing how impressed we were with your boat... it provided us with multiple areas of congregation without feeling too large or too small. Each area is comfortable and conducive for conversation and/or relaxing. The food... rave reviews for all dishes, with the beef and the pasta garnering extra special praise. Far above our expectations and collective experiences on similar excursions. Wine matched well to food. The crew and owners - we all felt welcome and comfortable - consistently well attended. Lots of smiles all around. The ride - can't beat the Statue of Liberty at Sunset.... To you and all your of your staff - THANK YOU. We look forward to seeing you all again in the future."
