

"I wanted to take the time to let you know what a fabulous evening our group had aboard Eastern Star. It was memorable and they were very pleased with the service and special attention they received. The group enjoyed themselves tremendously and want to know when they can plan another event aboard.

Laurie, thank you for your special attention to detail and for working with me at the very last minute. I have really enjoyed working with you and will not only recommend the Eastern Star for other events, but will be using you again in the very near future."

Microsoft

"WOW! We really rocked the boat! What an event! You not only met my expectations, but completely exceeded them. Every detail was perfect. The food was outstanding and the evening elegant and upscale. Thank you Laurie for all your suggestions, and to Captain Nick and the crew, thank you for a truly special journey. My 50th birthday was a blast!"

R. Levin

"This was the most successful event I have ever thrown. The yacht was lovely. The food was wonderful and beautifully presented. The staff was terrific, polite and timely! We had a cake made at Laurie's suggestion and it was the best cake we have ever had! Responses from the guests were overwhelmingly wonderful and now my sister-in-law is planning her daughter's wedding aboard next year. For a party that is truly elegant, you can't do any better than the Eastern Star! It was the easiest and best event I have ever organized."

C. Poth, Event Planner

"What a lovely job Captain Nick did officiating our wedding ceremony...tears of joy and laughter. The food, the wine, the decor, and your amazing staff...it was perfect! Thank you for making the most important day of the rest of our lives truly special."

Mr. and Mrs. N. Durso
