

"On behalf of the New York County Medical Society and our leadership, Margaret Lewin, MC, and Malcolm Roth, MD, thank you for helping to make our annual meeting on June 2, 2008 such a success.

Your consideration during the planning stages, and on the evening of the event to insure that everything went smoothly was much appreciated.

Thank you again for making the evening such a memorable one for our guest."

—Cheryl M. Malone, CAE, Executive Director, New York County Medical Society

"Thank you very much for your guidance and assistance with the logistics for the cruise. Michael Gedigk and the Senior Management members said that the Lexington is a beautiful boat; the decor, the food and the service were fantastic. Once again thank you and I truly look forward to working with you in the future."

"Just a note to let you know how much we enjoyed our wedding celebration aboard the Lexington last Saturday. The food was excellent and the staff was amazing! Mark the maitre 'd was most helpful and made everyone feel welcome and comfortable. Every guest loved the boat and commented it was the best wedding reception they had ever attended!"

"I just want to take a moment to say thank you again for the very professional service we experienced on board the Lexington at the Allstate dinner cruise on November 27. It was a very nice affair, and I am proud that everyone had such a great time. The food was great, the atmosphere was magical and the gaming tables fun and festive. Thanks for a fabulous time that was had by all who attended, and we would love to do the dinner cruise again in the future."
